UMM - UNIVERSAL TOOLS FOR MODELERS Part II.

MN001 Scriber

MN002 Hand Drill

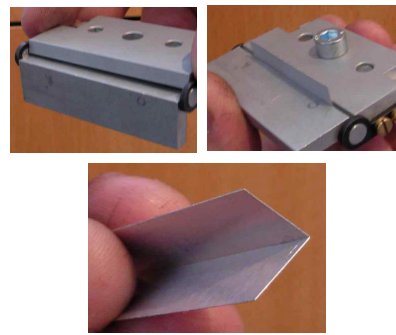

PHOTO-ENGRAVING BENDER

Insert a photo-engraving between the bender jaws and match the edge to be bent with the jaws. Tighten the bender with the bolt or hold it with your hand and bend the protruding part to the required shape. Side jaws are used for more complicated shapes, e.g. boxes.

MN003 Bender

MN004 Elbow Bender

MN005 Hand Airbrush

MN006 Riveter Tool 1/48

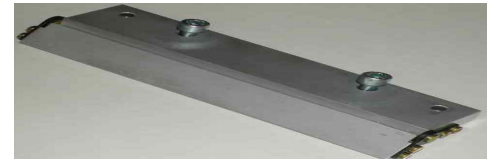

MN007 MN008 MN009

MN013 Bender 150

MN014 Elbow Bender 150mm
